“Linda was amazing to work with. My fiancé and I had an idea of what we were looking for, and she listened and came back with the most optimal options for our first home. Linda was patient and **highly knowledgeable** of the housing market as a whole and the various neighborhoods we were interested in. Additionally, Linda was **responsive and available** at a moment’s notice. She put us first and made us feel like we were her most important client. We are now happy homeowners in a wonderful neighborhood we thought we were never going to have the opportunity to live in. Thank you, Linda!” —JG and WT

“We have worked with Linda several times over the years. If you are searching for a realtor who **works full-time in the business, is professional, is punctual, is organized and knows her stuff**—BINGO!—you found her.” — J

“We finally made it! It’s such a pleasure to write this note to thank you for all of your hard work with us this year. From helping us find and close on our dream lot in Freeland, to selling our townhome at High View at Hunt Valley, you have been right there with us every step of the way! **Your dedication, responsiveness, professionalism, expert guidance, patience, and wealth of knowledge** have all been such tremendous assets to us throughout this process. We truly can’t thank you enough!

You helped us push through and stay focused on our end goal, selling our townhome and building our dream home out in farm country. **You truly went above and beyond, not only doing your job as the listing agent, but also doing the job of our buyer’s agent.** Because of all of your hard work, we’re now able to start making our dream a reality!

Thank you again for guiding us through this process! We would whole-heartedly recommend you and Riley & Associates to anyone for their real estate needs!”

“Linda was a great agent. I was a first-time home buyer and very nervous. I had a lot of questions and issues Linda helped to address. She was very responsive via email or phone. She never hesitated to visit a place of interest.”

“Linda **sold my house last year in one month** and had two buyers fighting over the sale. We got within \$5,000 of our asking price. Linda also sold a duplex investment property for me that same year.” —Hank

“We were extremely pleased with Linda’s depth of real estate knowledge, her willingness to go above and beyond her work responsibilities, and her **expert business sense**. We always felt like we were ‘safe’ with Linda and that she was **protecting our interests** to the fullest degree possible.” —Debbie and Scott

“My experience with Linda started in 2000 when I bought my house. Having that great experience then is what prompted me to contact Linda when my son decided to search for his first home. Linda was well aware that we were searching for a move-in ready home. She not only found that type of house for me in 2000, but found the same type of house for my son. Linda is **professional, knowledgeable, and helpful**. I would most definitely recommend her to anyone.” —Stacy

“Linda, thank you so much for all your help in both the selling and buying process....We will highly recommend you to our friends and coworkers!” —Kellie and Doug

“What a wonderful world this would be if everyone’s life could be touched by someone as kind and caring as you. Many, many thanks. You are so **patient, conscientious**, and a wonderful lady.” —Emily

“We just recently completed the sale of the last lot at Forreston Valley. It has been almost 3 years of hard work for me and almost 2 years for Riley & Associates. I would like to take this opportunity to recognize Linda Borgmann for the professional manner in which she handled the lot sales. She was in control of every sale and every problem. It was a pleasure to work with her, and I would consider it a pleasure to recommend her to anyone considering her as their agent.” —Glenn D. Cassell, President, SARU Development, Inc.”
